3501 Broadway
Mount Vernon, IL

The radio stations WMIX-AM & FM, and WDML are hiring for part-time board operators.

- Board Operators are responsible for helping to get live broadcast events on and off the air from the studio location. Live broadcast events primarily include high school sports broadcasts and broadcasts from community events or local businesses.
- Board Operators ensure connection from the studio sound board to broadcasters on location is successfully made, that all commercials play as scheduled, and that a return to regularly scheduled programming is made at the conclusion of the broadcast.
- Hours are primarily weeknights, Saturdays and Saturday nights during high school sporting events for sporting events and during other on locations broadcasts on the stations housed at the 3501 Broadway, Mount Vernon location. An average weeknight shift lasts approximately 3 hours, with Saturday games and/or tournament times typically having longer shifts. Normally the heaviest hours will be during the sports season from August – May, with much lighter summer schedules. However in Winter/Spring 2021, the changes in the schedules will require heavier hours in what might typically be lighter work schedules in a normal year.
- Applicants must be reliable, self-disciplined to show up on time, have reliable transportation to and from work, be comfortable with computers and technology. No previous job experience is required. Students are welcome to apply as long as they are 16 years of age or older.

To apply, E-mail your resume or the application below to

careers@mywithersradio.com

or you may drop off a resume or pick up an application to drop off in person during business hours Monday – Friday. No phone calls please. Withers Broadcasting and Dana Communications are Equal Opportunity Employers.
